

First Name LastName:

Presentation Title

1. Name (Hereinafter referred to as "The Presenting Author), on behalf of all other co-author(s), is submitted for publication in the American Filtration and separations Society (AFS). I/We agree that the presentation listed above to be presented at the AFS conference listed above, shall be of high scientific, technical, and/or marketing quality, shall be specific to the filtration and separation industry, unless agreed otherwise between the AFS and the Author(s).
2. In submitting a paper/presentation, Author and co-author(s) hereby grant(s) a release to AFS, its successors and assignees, the right of first publication and permission to reproduce and distribute copies of the paper/presentation in a printed format, USB drive or CD-Rom format and to authorize reprints, quotations, abstracts, summaries, and/or translations of the paper or portions of the paper, by AFS in any medium whatsoever and at no charge.

The AFS may, at its option, cause the Author(s)' presentation to be released/published in a format utilizing the name and logo and identifying the matter presented as having been presented at the AFS Conference indicated above.

Should the AFS exercise its option and cause the Author(s) presentation to be released/published, the acknowledgement line in that release/publication shall read as follows, *This presentation was given at the AFS 2017Fall Conference, September 18 – 20, 2017, sponsored by the American Filtration and Separations Society.*

3. The Author and co-author(s) retain(s) all rights, including those under the Copyright Act, in the paper. In any case, the Author(s) warrant(s) the publication or other distribution of the paper/presentation by AFS shall not infringe any patent, trademark or copyright of others. Furthermore, the Author(s) agree(s) that he/she will indemnify and save harmless AFS from all damages, costs and expenses, including attorney fees, paid or incurred by AFS by reason of such infringement or claim.
4. The Presenting Author(s) hereby acknowledge(s) that this grant and release is supported by good and valuable consideration, including, but not limited to, the opportunity presented by the AFS for the Author(s) or his/her designate to have the presentation presented at the Conference.

5. AGREED, this Day of , 2017
